## Next Wednesday

For Tuesday's editorial call for a special session of the Legislature. It is a given Legislature will convene next Wednesday to consider the proposed \$20,000,000 building program and several other matters of secondary importance.

It seems certain that the building program will be paid with funds from the profits of the state liquor control department. But that is the only certainty in the outlook. Gov. Davis, when he called for a special session, did not even mention the building program which he met with veto after the adjournment.

The legislative problem of course is to find millions of dollars which do not exist. That is the problem of all governments and like most of them it will resort to that convenient panacea in bond issue. Financially all this borrowing from the future is going to come out all right when revenues become fat again. It is becoming a question however as to whether or not revenues ever will catch up to the rapidly disappearing financial stability of the state of government which add constantly to their spending rates with virtually no regard for fluctuations in annual income.

There seems to be no possibility of Gov. Davis using a steam roller on the special session. The \$20,000,000 building program is bound to encounter strong opposition. There is much opposition to the principle of increasing Ohio debt to obtain the grant the federal government is willing to make particularly because the state already is secured of its share of WPA funds.

## All's Merry Again

All signs indicate that Secretary Hoover has won the latest round in his contest with Secretary of Interior Ickes to see which man can spend the most money in the shortest time. Secretary Ickes has been back to Washington after his call at Hyde park with orders to subordinate his principles to those of Mr. Hopkins. Strangely enough when President Roosevelt began to talk about work relief last January he seemed to favor the same principles which he now rejects. Secretary Ickes' confusion is understandable.

He shares the confusion with the public. Work relief has not presented at any time a coherent aspect. His features change on the minds of his advisers change—frequently. One time it means projects of permanent value and another time it means projects of a nature which makes permanent value virtually impossible. One time it means there will be no direct relief after a certain date and the next time the date has been changed.

However, all's merry again for the moment. Mr. Hopkins and Mr. Ickes are not going to quarrel any more, 10,000 men will have jobs by April 1, 1934 and the money is going to flow out into the country like water in irrigation ditches. The latest revision of plans in other words makes everything look perfect. Somehow, it is impossible to believe it is going to be the end of revision. Some time before the close of the year Mr. Roosevelt will be needing to shout a cheer. All's well again to satisfy his doubling commission. If they would have implicit faith everything would be all right but they insist on asking questions and becoming upset when they can't find satisfactory answers.

## Straight Thinking

Huey Long's death by eliminating investigation of his career, has resulted in some of the straightest political thinking Americans have done for many years.

They have been driven to realize for one thing that Huey Long merely did what it would be possible for another man to do in becoming the dictator of Louisiana and the outstanding demagogue in the United States senate. He was an opportunist.

They are obliged to admit that his death though threatening to wreck his political machine does not mean Louisiana will be governed better in the future than he governed it. Many who are charitably inclined can argue with fair logic that Huey Long governed Louisiana as well or better than it was governed before he became its dictator.

He became powerful and remained powerful by giving his state what an apparent majority of its residents wanted. He accumulated a national following by appealing to widespread discontent with the status quo. If his own principles were in defensible he could take advantage of the

worship than he was to judge between right and wrong.

Huey Long may be viewed as the inevitable result of corrupt and lawless democracy. He did not create the conditions which created him. He was the product of a corrupt and lawless democracy which created him. He was the product of a corrupt and lawless democracy which created him.

## The Constitutional Issue.

Tuesday, Sept. 17 is Constitution day. The issue is the proposed \$20,000,000 building program. The issue is the proposed \$20,000,000 building program. The issue is the proposed \$20,000,000 building program.

A constitution is a set of rules created by the people that limit the power of the federal government. It is the foundation of our government. It is the foundation of our government. It is the foundation of our government.

For nearly 150 years the Constitution of the United States has been the foundation of our government. It is the foundation of our government. It is the foundation of our government.

The new constitution is a set of rules created by the people that limit the power of the federal government. It is the foundation of our government. It is the foundation of our government. It is the foundation of our government.

There has been great concern in the past about the constitution. It is the foundation of our government. It is the foundation of our government. It is the foundation of our government.

Conservation of the constitution helps based on fundamental truths. It is the foundation of our government. It is the foundation of our government. It is the foundation of our government.

There are no high points of the issue. It is the foundation of our government. It is the foundation of our government. It is the foundation of our government.

Under ordinary circumstances the constitution cannot be amended rapidly. It is the foundation of our government. It is the foundation of our government. It is the foundation of our government.

There always have been conservatives who were opposed to any and all changes in the constitution. It is the foundation of our government. It is the foundation of our government. It is the foundation of our government.

# Harding Gridders Drop First Game on New Field, 18

## GIANTS, VICTORIOUS OVER CARDS, NOW FACE SPEEDING CUBS

Cubs Stretch Lead to 2 Games as Dizzy Dean Is Routed; Indians Win Two.

By HUGH S. McLELLAN, Jr., Associated Press Sports Writer.  
The celebrated trip from the frying pan into the fire couldn't be much worse than the one the Giants have to make from St. Louis to Chicago.  
Triumph in a great struggle which began with St. Louis in the lead and New York's game face nearly the same kind of victory against the Cubs while the Giants were routing the Cardinals on their own field for the third time in a row, Chicago continued its brilliant winning streak to 12 straight victories by sweeping a four-game series with Brooklyn and now heads the parade by two games over St. Louis and 3½ games over New York.

**Root Dizzy Dean**  
Bill Terry's working crew apparently proved that his pennant aspirations still were sound when, after losing the first game to the Cards and Dizzy Dean, they came back to win three in a row, including one, extending their lead to 3½ games over the Cardinals at a critical stage. In July they were dropped momentarily from the lead by losing two games to St. Louis only to regain it with four straight victories.

They showed their strength again yesterday when they routed Dizzy Dean, who won the first game handsily, and humiliated a 7 to 3 triumph with a 16 hit attack that rocked three pitchers. Three singles in the first inning put them a run ahead and they added pairs of runners in the third, when Hank Lohr hit a home with Terry aboard, and in the fifth, Carl Hubbell pitched two hit balls up to the sixth, when Joe Meechick hit for the circuit, then added up and gave two runs in the eighth after New York had scored its last two.

The Cards had scored consolation in the fact that the attendance of 41,281 set a St. Louis record for a single, regular-season game.

Four Brooklyn errors, plus Bill Lee's sixth hitting made it easy for the Cubs to increase their lead with a 6 to 3 victory over the Dodgers.

**Cue Sub.** Pittsburgh first baseman, equaled the National League endurance record of 418 games, established by Eddie Brown of Boston, when he played one inning in a 5 to 3 victory over the Phillies. He still trailed the American League "Iron Man" Lou Gehrig of the Yankees, who took part in game 1,410 of his continuous stretch and helped lead the league-leading Tigers, 8 to 7.

**Yankee Top Tickers**  
The Yankees triumph only served to reduce Detroit's lead to 8½ games two weeks before the close of the season. Johnny Murphy played the big role, pitched expertly after Vic Tamm had been belted out, driving in the tying run in the seventh and scoring the winning run.

Cleveland broke its three-game deadlock with the Red Sox by pounding out two victories over Washington with a total of 35 hits. The scores were 10 to 4, and 6 to 3. Boston won only one game, triumphing the Browns, 9 to 4 with a six-run, sixth-inning rally after St. Louis had picked Lofy Grove for five tumbles in the first.

The White Sox and Athletics split a bargain bill, Chicago winning the opener, 8 to 2, and Philadelphia the 10th-inning all-piercer, 7 to 5, on Plucky Higgins' home run. Cincinnati turned back the Braves twice, 1 to 0, in the opening pitching duel by which Paul Derringer and Ben Cantwell won.

## Poor Showing in Initial Half Gives Visitors Edge

Presidents Get Within 10-Yard Line Only Once; Colatruccio Shines with Long Scoring Runs.

By HUGH S. McLELLAN, Jr.

Nearly 2,000 spectators visited the new Harding High school stadium Saturday afternoon to witness the 1935 edition of the President football game in action, saw one quarter of good playing and came away somewhat disappointed by Harding's 18 to 6 setback at the hands of a Tiffin Colvert eleven.  
Although the visiting Blue and White combination had enjoyed no more full training than the Harding squad, their experience in former years gave them a decided edge in nearly every department of the game. Coach Wiley Kramer's boys completely outclassed the Harding team except in the first half. In the third period, the Presidents outgained the visitors and provided their only scoring threat of the game. Colvert took the offense again in the last period to gain a third touchdown.

Only a long list of penalties kept the Tiffin team from running up a heavier score and greater yardage against the Marion team. The visitors showed their greenness by repeated offensive penalties and by "jumping the gun" with their own plays. Tiffin Colvert was penalized 59 yards to Harding's 19.

**Visitors Score**  
After a half-hour first quarter in which Colvert was held in check by penalties, the visitors broke down to score two touchdowns in the second period. Hancock got the second point and Colvert carried the ball from midfield to Harding's 30-yard line.

Gillie and Colatruccio made first downs in two offensive penalties temporarily held the visitors in check. After two attempts from four hits each and 7 to 0 in a ninth-inning run in the second half.

## COLUMBUS AND BLUES END SEASON IN TIE

By The Associated Press  
CHICAGO, Sept. 16.—The 34th championship season of the American Association was history today, and for the first time since 1910, nothing in the way of a playoff or "Little World Series" or anything else was required.

The title, clinched several days ago, went to Minneapolis. The Blues for the sixth time since the league was organized in 1902. The Indianapolis Indians finished second, five games back of the Blues, with Columbus the 1931 champion, and Kansas City, tied for third place.

St. Paul was fifth, with Milwaukee, Toledo and Louisville, following in that order.

While the playoff system, used for the past two seasons, and the "Little World Series" with the International League winner, had been dropped, members of the first four teams played up extra money through a \$20,000 bonus plan. Minneapolis gets \$5,000, Columbus \$4,000, while the fourth and fifth place will split \$3,000 each to Columbus and Kansas City.

Minneapolis closed its season by losing both games of a double-header to Kansas City, 1 to 0, and 11 to 2, yesterday. The victories enabled the Blues to remain tied with Columbus, which finished with two victories over Toledo 4 to 5, and 6 to 4.

St. Paul, which started during the last 10 days of the campaign, clinched fifth place by defeating Milwaukee, 4 to 3, in the first game of their double-header. The Brewers, however, closed a disappointing season by winning the second game, 6 to 1.

Indianapolis and Louisville also divided their final program. The Indians won the first game 7 to 3, but bowed to the Colonels, 9 to 1, before the gates were closed for the season at Perry stadium.

**UPPER SANDUSKY IN SCORELESS TIE**  
Special to The Star  
UPPER SANDUSKY, Sept. 16.—The Upper Sandusky High school football team opened the 1935 season with a scoreless tie game with Argonia.

Each team threatened to score once during the entire game. In the first quarter Upper Sandusky worked the ball to the visitors two yard line but lacked the punch to score. In the third period, with the aid of a blocked Upper Sandusky punt, Argonia was stopped on the 34-yard line.

The summary:  
Argonia: P. V. Sandusky, F. V. Sandusky, T. V. Sandusky, G. V. Sandusky, K. V. Sandusky, L. V. Sandusky, M. V. Sandusky, N. V. Sandusky, O. V. Sandusky, P. V. Sandusky, Q. V. Sandusky, R. V. ## O. S. U. GRID STARS AT HARDING GAME

Ohio State varsity gridmen turned out Saturday afternoon to see the team of a former Buckeye star open its season under the leadership of Harding High school's new coach, Carl Cramer.

Conspicuous guests of Cramer at the game, pointed out by all Ohio State fans and watched by all young admirers were Gomer Jones, 1935 Buck captain, "Tip" Dye, Frank Paucker and Inwood Smith, members of the Ohio State squad. The Buck grid men took advantage of a setup in practice sessions on the campus to see an O. S. U. stadium send his team on the field for the first game.

The Cardinals, who have a notion that they will be among the leaders all season, made a start toward proving it yesterday by out-pointing the Packers, 7 to 6 at Green Bay. The margin of victory was a point after touchdown via place kick by Paul Ponderer who learned the art at Purdue. Bill Smith, former Washington end, switched a pass from Doug Russell in the opening period for the Cards' touchdown.

Swede Johnston caught a pass from Ed Monnett, former Bucyrus, O., gridders, to get the touchdown back for the Packers in the second quarter. Monnett, however, was wide in his place kick attempt for the tying point.

## CAPACITY CROWD FOR MIXED CARD TONIGHT

Ten-Round Fight and Wrestling Program Is Outstanding Feature.

A capacity crowd is expected tonight when both boxing and wrestling are offered on the weekly program at the Steam Shovel gymnasium.

Joe Woods and Jack Lons are scheduled to appear in a 10-round grudge scrap of their wrestling match last week. Both men have been top notchers in the fighting game and are among the leading heavyweight wrestlers to appear here.

Woods touched his peak in 1932 when he fought the semi-final fight at Madison Square Garden to a knock-out by Peter F. Brown. He was a Buck-Levinson bout. He won by a knockout over Charley Retzlaff in the fourth round.

Woods in 1932 took the South African championship from McCorkendale at Cape Town and has appeared in rings in nearly every part of the world. Lons who still fights has defeated a number of the top fighters. The fighters will use six ounce gloves in what promise to be one of the best scraps seen here.

The 30-minute wrestling match will bring together Al Britt and Tongue. Clout two wrestlers. A 20-minute preliminary wrestling match will get under way at 8:30 o'clock.

The Texas Intercollegiate league has ruled that football games in league competition can be played at night only by mutual agreement of the teams.

## CARDINALS DEFEAT GREEN BAY PACKERS

Failure of Bob Monnett To Convert Place Kick Costs Tying Point.

By The Associated Press  
CHICAGO, Sept. 16.—Started off by two games which produced victories for Pittsburgh and the Chicago Cardinals, the National Professional Football league gains a little momentum during the next seven days with three battles.

The Philadelphia Eagles, who participated in the league's game Friday, night by losing a 17 to 7 decision to Pittsburgh will tackle the powerful Detroit Lions in another night affair at Detroit next Friday.

The Cardinals, who have a notion that they will be among the leaders all season, made a start toward proving it yesterday by out-pointing the Packers, 7 to 6 at Green Bay. The margin of victory was a point after touchdown via place kick by Paul Ponderer who learned the art at Purdue. Bill Smith, former Washington end, switched a pass from Doug Russell in the opening period for the Cards' touchdown.

Swede Johnston caught a pass from Ed Monnett, former Bucyrus, O., gridders, to get the touchdown back for the Packers in the second quarter. Monnett, however, was wide in his place kick attempt for the tying point.

## In That Case, Will Rents Go Down?

Recent item that modern wallpapers copy  
wealthy homes of the 1890's was all wrong,  
writes an expert, adding that today's wall-  
paper designs "conform strictly to the styles  
of women's clothes." So! Then if fashion  
keeps reducing the amount and acreage of  
feminine apparel the walls of up-to-date rooms  
will soon show little but the unadorned plaster.  
Fortunately there's nothing so bald in the  
homes listed in The Marion Star classified  
rentals. That's why this one made a good  
rental.
